Katherine Phillips-Parrish Phillips Learning Design, LLC

Katherine Phillips-Parrish is CEO and Chief Learning Strategist with Phillips Learning Design. She is a learning and development professional who helps organizations achieve their goals through effective learning solutions. With over 12 years of experience Katherine has worked for Microsoft, Infor, Community Health Systems, Brookdale Senior Living, and other companies as a senior manager, instructional designer and a learning strategist, to name a few. Katherine is often praised by her colleagues, clients, and partners for her work quality, professionalism, and collaboration skills. Katherine writes regularly on LinkedIn about topics related to motivation, business success, strategy execution, and personal growth.
