## Mary Roth

### Principal Financial Group

Mary Roth (she/her) is an experienced learning & development professional with over 15 years' experience over a variety of industries. She's held a variety of L & D roles including facilitation, content development, eLearning development and instructional design, in addition to process management and knowledge management roles. Mary is passionate about making it easier for a learner to understand and perform their job. She has found her passion for using emerging technology to supplement learning and improve daily processes. Mary currently works for Principal Financial Group as an Instructional Design Consultant. She and her spouse Joe own The Dealt Hand, a small business hosting unique board game events around the state of Iowa. She lives in Des Moines with her spouse and two girls. Together they love hiking, traveling, and attending concerts.

## **Elizabeth Kinsey**

### **Principal Financial Group**

Elizabeth Kinsey (she/her) is a dedicated Learning and Development Specialist at Principal, leveraging a wealth of experience derived from her diverse educational background. She holds a BA in Elementary Education with a minor in English from the University of Iowa. Elizabeth embarked on her professional journey in elementary school classrooms, primarily teaching special education. Her passion lay in devising innovative strategies to tailor the standard curriculum to cater to the unique needs of her diverse students. Today, she applies this expertise in a corporate setting, channeling the same enthusiasm for adapting learning through innovative methods, often harnessing the power of new technologies. Beyond her professional pursuits, Elizabeth's greatest joy is derived from spending quality time with her vibrant four-year-old daughter. Every shared moment is a cherished opportunity to instill the same spirit of curiosity, exploration, and learning that has defined Elizabeth's own career.
